

Login Page

Before you can register for a course, you must create a user i.d.
Important: each person needs his or her own email address as part of that id.

To begin, go to
nbo.universitytickets.com

On the right side of the page, click on

‘General Public New User Registration.’

The screenshot shows the 'Box Office' website header with navigation links: Home, Buy Tickets, Other Box Offices, and Login. Below the header, there is a 'Login' section with a breadcrumb trail 'Home > Login' and a note: 'In order to search for tickets, you will need to login or create an account. Your account information will allow us to find the right tickets and prices for you.' Under 'Northwestern Community', there is a Northwestern University logo and a link for 'Northwestern Login'. Under 'General Public', there is a note: 'If this is your first time purchasing tickets through our web site, you will need to register as a new customer. It will only take a moment and you'll only need to do it once.' Below this note is a link for 'General Public New User Registration'. There are also fields for 'e-Mail Address' and 'Password' with a 'Continue' button and a link for 'Forgot your password?'. A red arrow points to the 'General Public New User Registration' link.
